

CATALOG OF SOLUTIONS IN OCCUPATIONAL RISK PREVENTION

We are a consultancy formed by consultants and senior technicians in occupational risk prevention with more than 20 years of experience in consulting and as responsible for safety, quality and environment in multinationals, working in the field. This has given us experience and knowledge in the current needs of organizations, providing effective solutions.

We integrate ourselves as part of your work team, looking for easy, agile and customized solutions, creating a safe and healthy work environment to increase your competitiveness.

Commitment to **SAFETY**

Creating a safe and healthy
work environment to
increase your
competitiveness

VISION ZERO (ISSA) A global movement

A changing world of work

1. Flexible approach, adapts to any organization
2. It is the goal of an integral prevention culture

7 Golden Rules for Vision Zero

1. Take leadership – demonstrate commitment
2. Identify hazards – control risks
3. Define targets – develop programmes
4. Ensure a safe and healthy system – be well-organized
5. Ensure safety and health in machines, equipment and workplaces
6. Improve qualifications – develop competence
7. Invest in people – motivate by participation

VISION ZERO (ISSA) A global movement

A changing world of work

We accompany you on the road to continuous improvement

This strategy was born with the firm idea of:

- Workers' health is non-negotiable.
- People make mistakes, however, the organization has to cushion them.
- Organizational culture is the best guarantee to avoid damage.

SPECIALIZED CONSULTING

Tell us what you need and we will help you

- We design and help you to implement ISO Management Systems.
- We simplify and improve your current Management System.
- Consultancy in Occupational Risk Prevention, we help you to integrate and grow in safety.
- Preventive Culture.
- Health and Safety Audits.
- Safety field visits.
- Elaboration of Health and Safety Plans, and DGPO (mandatory preventive document for construction works).
- And whatever you may need, we design it for you, we are specialists!

COORDINATION OF BUSINESS ACTIVITIES (CAE)

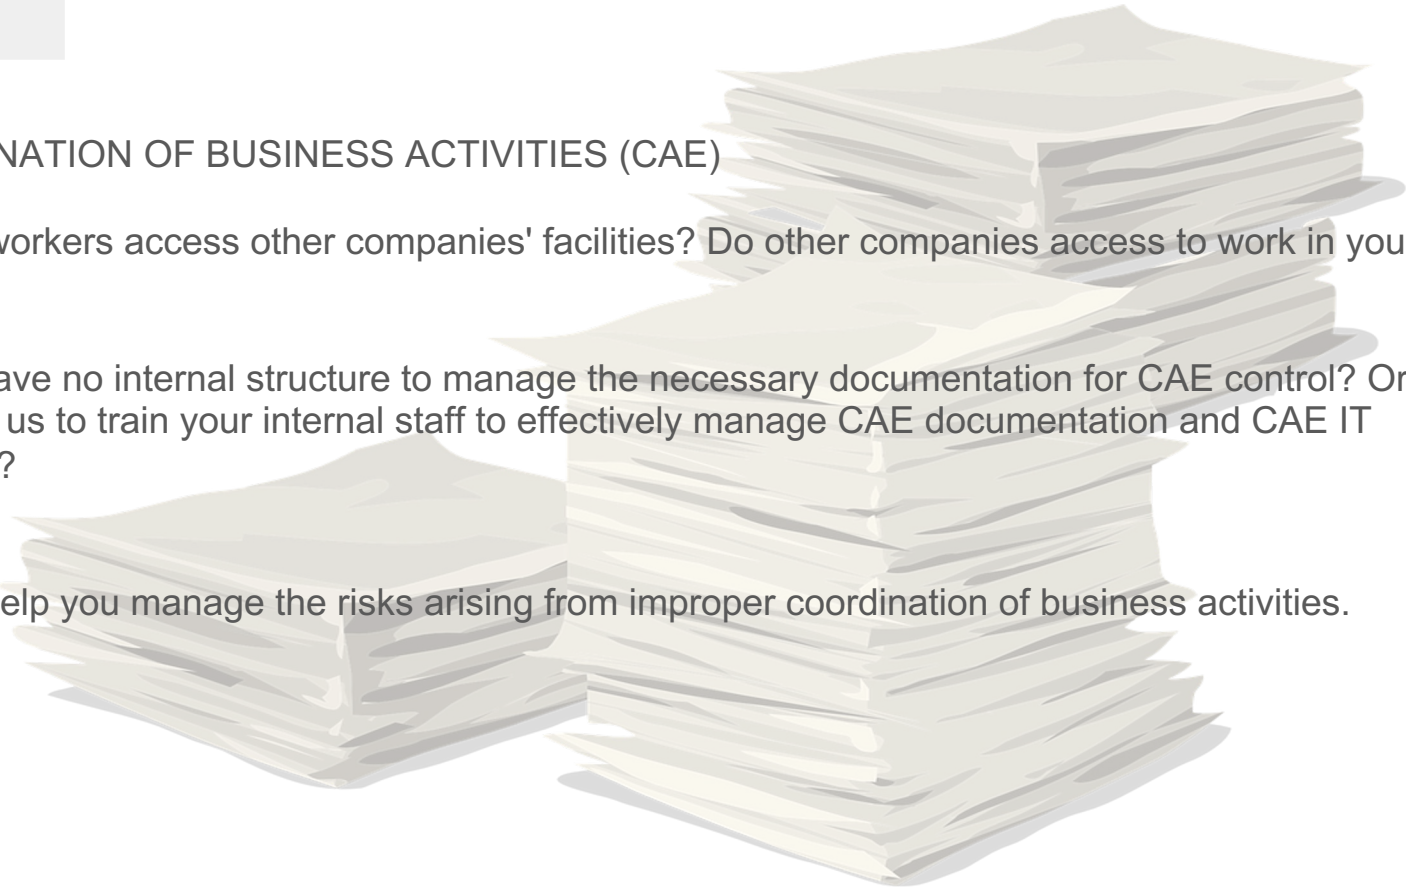

We make it simple, we
make it easy

COORDINATION OF BUSINESS ACTIVITIES (CAE)

Do your workers access other companies' facilities? Do other companies access to work in your facilities?

Do you have no internal structure to manage the necessary documentation for CAE control? Or do you need us to train your internal staff to effectively manage CAE documentation and CAE IT platforms?

We can help you manage the risks arising from improper coordination of business activities.

PERSONALIZED TRAINING

Development of competencies

CUSTOMIZED TRAINING

Tell us what you need and we will help you

- We carry out a personalized study of your training needs in terms of occupational risk prevention, analyzing the company's risk assessment and the occupational accident rate.
- Design of a customized training plan to improve the competence of the team and promote safe behaviors.
- On-site and remote training.
- Practical training, with real examples of the company, games, ...
- Organization of short Tool Box Talks in the workplace, training Safety Walks with workers and middle management to integrate prevention.
- Organization of conferences to promote preventive culture in the company.

Are you a Small Business or Self-Employed?

We help you to be more
competitive

Small Businesses and Self-Employed

We make it easy for you to comply

- We will be there when you need us, helping you on a day-to-day basis, including emergencies.
- We will check that you comply with all the legal requirements that apply to you and the demands of your clients, helping you to manage it. Attend, for you or together with you, to preventive meetings to which your clients summon you, etc.
- We will train you to make it possible, so that your company can be more competitive by integrating prevention, so that you speak the same language as your clients.
- We can help you with the Coordination of Business Activities.
- We offer seminars on how to integrate prevention with Prevencion10.es (self-employed and companies up to 25 workers), online platform where you will find autopreven-t specific for self-employed.

We will make you feel that we are one more of your team. We will design a customized plan for you.
